

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils
 joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31**st **July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
The Y5/6 children continue to be successful young leaders following the LPG young leader programme. Children have had the opportunity to participate in Boogie Bounce, cricket and multi	To try to ensure that children were still able to engage with and take part in sporting competitions and events in the 2020/2021 academic year, despite the Covid-19 pandemic and continue to be fully involved in the Bedale Cluster sports programme.
sports clubs after school. Engagement in after school clubs remains high.	To implement the Rising Stars Sports Champions scheme of work.
School has invested in archery equipment, Drumba session and Boogie Bounce sessions and Boogie Bounce equipment. Skip 2B Fit was implemented in the Autumn	Join the Youth Sport Trust.
term.	To try to continue, where possible, some extra-curricular sporting opportunities in school despite the challenges of children being taught in 'bubbles'.
PE stock and equipment has been replenished (striking fielding equipment, athletics equipment, new netball posts, a range of balls, early years multi-skills equipment).	Focus on robust PE data for next academic year – looking at pupils on track and greater depth.
	Implement PE CPD where necessary. PE specialist to work with EYFS/KS1 and KS2.
	Broaden the range of sports/ activities offered or taster sessions throughout the next academic year. Utilise lunchtimes due to difficulties of running after school clubs.
	When COVID restrictions allow begin swimming sessions.

Did you carry forward an underspend from 2019-20 academic year into the current academic year?

YES/NO * Delete as applicable

Total amount carried forward from 2019/2020: 0

- + Total amount for this academic year 2020/2021: £16330
- = Total to be spent by 31st July 2022:£19950 (£16330 + £3620 carried forward from 2020-2021)

	1
Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.	
Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.	
Please see note above.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	86%
Please see note above.	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	43%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Not this year due to COVID restrictions.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21	Total fund allocated:	Date Updated: July	2021	
Key indicator 1: The engagement of a primary school pupils undertake at le	Percentage of total allocation: 16%
