Term 3 Half Term		Forest Skills: Tool Use (Session 2)				
Ĥ	Taking the indoors out!					

Track a Tree: Focus on seasons- Link to Science (Seasonal Changes)

Life in the Woods: Focus on real life animals and plants in the woods – Link to Science (Living Things and Their Habitats)

Watching it Grow: Focus on plant life in the woods – Link to Science (Plants)

Who lives in a place like this: Focus on natural habitats. Link to Science (Living Things and Their Habitats)

Make me a home: Focus on building man made shelters and habitats. Link to Science (Living Things and Their Habitats)

The Circle of Life: Focus on Food Chains and energy: Link to Science (Animals and Humans)

Forest Skills: This session will build on skills over each half term, term and year based on the Wild Passport expectations.

Taking the indoors out: This session will be based around current learning in the classroom. Forest School leaders will liaise with class teachers to plan activities which will enhance curriculum learning.
